

The International Short Film Festival of Cyprus 2013 presents the Greek musical ensemble

'Encardia'

Friday 18/10, at 23:00 at **Heroes' Square**, Limassol

This Saturday on October 12th, the **International Short Film Festival of Cyprus**, the official International short film competition of Cyprus opens its doors at RIALTO Theatre. Fifty-eight short films from across the globe will participate in the international competition while twelve short films by Cypriot filmmakers will compete both in the national and international section.

On Friday, 18 October, we are welcoming the Greek band '*Encardia*' to our closing party that will take place at Heroes' Square at 23:00. Their amazing and most energetic music repertoire creates and performs original music as well as traditional music of the region that Greek and Italian cultures mix. The group was formed in 2004 and has performed since more than 500 live concerts not only in all regions of Greece, but in various places in Italy, in Southern France, Algeria, Germany, Switzerland and Cyprus.

With guitars, tambourines, accordions, harmonicas, castanets, mandolins and drums and a repertoire based on and inspired by the musical tradition of Greek-speaking regions of Southern Italy and the wider Mediterranean they bring to life legends of southern Italy. The tarantellas and the rich musical tradition of Southern Italy almost imposed the selection of these specific instruments.

With an energetic and utterly attractive program promises to make everyone move to the rhythm of possibly the most ecstatic dance of the Mediterranean: the tarantella pizzica pizzica.
